Docket: 010420

REMARKS

Claims 22-28 and 30-31 remain in this application, claims 1-21 and 29 having been canceled.

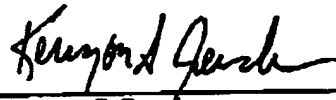

The indication that claims 22-28 and 30-31 are allowed or otherwise allowable if amended to be rewritten in independent form is appreciatively noted. Claims 30 and 31 have been rewritten to comply with the Examiner's recommendation. These claims should now all be in allowed form.

The rejection of claims 1-21 and 29 is respectfully mooted in view of the cancellation above of these claims.

All the claims now remaining now being in allowed form, this application should now be in condition for allowance. The Examiner is invited to call the undersigned agent if there are any questions or further discussion is needed.

Respectfully submitted,
